## **Golfing Guests**

Dear Ansley Visitor,

We are delighted to host you and our staff looks forward to being at your service! To help us make your visit the best it can be, please join us in observing some of the Club's courtesies and customs:

### **Attire**

Proper attire is required on the golf course and range at all times. Shirts must remain tucked in at all times. No denim or warm-up suits are permitted. Collared shirts are required for men. Women may wear a sleeveless shirt provided it has a collar or a collarless blouse provided it has sleeves. Hats must be worn as designed and removed when in the clubhouse. Shorts must be Bermuda style in length for men and no more than 5 inches from the knee for women. Cargo shorts/pants are not allowed.

### **Cellular Phones**

Out of respect for members and their guests, the use of cellular/mobile phones are not permitted in the Clubhouse. Members and guests may receive and send text messages and emails and may surf the web on cell phones, smart phones, or other handheld devices. Please be sure that all phones are on vibrate/silent during your visit.

### **Pace of Play**

Players are expected to complete their round in 4 hours and 15 minutes or less. Ansley Golf Club takes pace of play very seriously - as a visiting group you should take special care to ensure you play as quickly as possible so as not to disrupt the experience of players behind you.

### **Food & Beverage**

For your convenience, beverages and light snacks are available on the course. For additional fare, we suggest our on-the-course food ordering as an option. This is available through the beverage cart attendant, and will be ready when you have finished your round.

### **Other Information**

- If signing something back to your club, please be sure your name and number are legible
- Smoking is prohibited indoors at both facilities
- The use of metal spikes and soft spikes with "flared" tips are prohibited

### **Pool Guests**

#### **General Information**

If you are joining a member at the pool, please sign-in before entering the pool at either one of our gated pool entrances. A member must invite you to be their guest at our swimming pool.

For your convenience, our Club provides towels. Located by the restroom, you will find an attendant who will provide you with towels. Food and drinks are also available poolside.

#### **Youth Swim Policy**

When you come through the gate, you will need to identify any swimmer(s) you have with you that are 10 years and younger (even if they are not getting in the pool). The gate attendant will check the list to see if your swimmer(s) are already listed as a qualified swimmer. If your swimmer(s) are listed as qualified swimmer(s), you will be permitted through to the pool gate and will NOT have to wear an orange wrist band. If your swimmer(s) are NOT on the qualified swimmer(s) list the following steps will be taken:

1. You and the swimmer(s) you are responsible for will be required to wear an orange wrist band. While in the big pool, the responsible adult will be required to be in the pool with the swimmer(s) at all times and within arms reach of the unqualified swimmer(s).
2. You will have the option of having your swimmer(s) take a short swim test so their name(s) can be added to the list of qualified swimmers. Once the test is passed neither one of you will be required to wear the wrist band and their name(s) will be added to the list.

#### **Swim Diapers**

All children under the age of three are required to wear an Ansley approved swim diaper. These are reusable diapers made of impermeable fabric with elastic at the waist and legs. Approved swim diapers are for sale at the Towel Shop. The lifeguards will conduct diaper checks on a random basis.
